

NORTHMETROCHURCH  
**FACILITY USE FEES**

## Philosophy

North Metro Church uses its facilities for ministry, to partner with the local community, and to be a good neighbor. NMC’s desire is that the facilities be used wisely and as much as possible, and the fee structure reflects the priorities of ministry and partnership first. All use must align with the requirements of the North Metro Church Facility Use Policy. A refundable deposit is required, and additional services are available at additional cost. *Additional wedding fees are covered on a separate document.*

## Notes

- Unless otherwise noted, all fees are payable in advance of the event.
- The damage deposit may be returned after inspection for damage and any required extra janitorial services.
- NMC reserves the right to waive fees for any event or activity
- There is no charge for facility use for funerals—this is a ministry to the community
- Room rates are charged per hour used, including setup and tear-down time

## Room Fees
